Neilson Financial Services Limited is registered in England and Wales under no. 07986483. Registered Office, Landmark Place, Windsor Road, Slough, Berkshire SL1 1JL.

Your Policy is issued, underwritten and administered by Scottish Friendly Assurance Society Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority and entered on the Financial Services register under reference no. 110002, with permission to effect and carry out contracts of insurance.

Choosing your Insurance

When choosing Sorted Guaranteed Life Insurance You'll need to think about:

- ✓ the Cash Sum, which is the amount that is payable when a valid claim is made;
- ✓ whether to add optional Accidental Serious Injury cover to Your Sorted Guaranteed Life Insurance;
- ✓ whether the Policy will be a Single Plan on Your own life, or a Family Plan to include Your legal spouse, civil partner or common law partner (Partner Life Insured) under Your Policy;
- ✓ whether the Policy will include any financially dependent children aged under 21; and
- ✓ whether You prefer an age based Premium Policy (where the Premium and Cash Sum increases), or a level Premium Policy (where the Premium and the Cash Sum remain fixed).

How much does the Insurance cost?

The amount of Premium payable will depend on:

- ✓ the Cash Sum(s);
- ✓ whether You add the optional cover;
- ✓ whether You selected a Single Plan or Family Plan;
- ✓ the Policy type You choose; and
- ✓ the age of the eldest Life Insured on the Policy.

The amount of Premium payable will be stated in Your Schedule which will be sent to You at the time You are accepted for cover.

What are the Policy Types?

We know that everyone has different needs, so We have two flexible Policy types to choose from; age based Premium or level Premium. Both Policy types can be kept for the rest of Your life ('whole of life') but also allow You to apply for changes if Your circumstances change.

Age based – How does it work?

With an age based Policy, Your Premium is based on the age of the eldest Life Insured. That could be You, or if You take out a Family Plan, it could be Your partner.

The Premium is recalculated each year at Your Policy Anniversary; gradually increasing in line with the eldest life getting older. Once the eldest life reaches age 80, there will be no further Premium increases and after age 90 all Premiums cease, but cover will continue. With an age based Policy, Your monthly Premium will start lower compared to its equivalent on a level Policy type, so this may appeal to those on a tight budget during the early years of holding the Policy.

Automatic Cash Sum Increases: The age based Policy features a 5% automatic annual increase to Your chosen Cash Sum for Your Life Insurance and any optional cover You have. It is applied automatically to Your Policy on Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date or until the eldest Life Insured reaches age 74, whichever is sooner. Example: If You have chosen a £2,000 Cash Sum at the start of the Policy, the next year You will be covered for £2,100. At the end of 10 years, assuming You don't opt out of the increase, Your Cash Sum would be £3,000. If You are planning to leave Your Cash Sum to pay for funeral expenses, this gradual increase in Cash Sum over the years can help protect from the effects of inflation.

You will be sent a new Schedule each year, which will show Your new Cash Sum with the 5% automatic increase included and Your new monthly Premium recalculated based on age and the automatic increase. At this point You have the flexibility of deciding to accept the increase (in which case You wouldn't need to do anything), or You can let Sorted Insurance know if You wish to opt-out of it (in which case a replacement Schedule will be issued which will show Your rise in Premium based on age only). If You change Your mind, You can still opt back in to the 5% Cash Sum increases within the 10 years, whatever suits Your needs best.

Level Policy Type – How does it work?

Our level Policy is great for people who want certainty, knowing that their increasing age will not affect their monthly Premium – it will stay the same each year unless You ask Sorted Insurance to make changes to Your Policy. As long as You are paying Your Premium, You'll be covered for the whole of Your life and after the eldest Life Insured reaches age 90, there are no more Premiums to pay, but cover continues.

The 5% automatic Cash Sum increase is not available on a level Policy, so Your chosen Cash Sum will stay the same. With the level Premium option, it is important to note that the value of the Cash Sum You choose at the start of the Policy, may not keep up with inflation. So, if You are planning to leave Your Cash Sum to pay for funeral expenses, the value of Your Cash Sum may not keep up with funeral cost inflation.

The money can be used as You wish, for example, You may need to modify Your home, or simply need help to keep on top of Your household bills.

Who can take out Accidental Serious Injury cover?

- ✓ are resident in the United Kingdom; and
- ✓ for an aged based Premium Policy, are aged at least 30 and under 70; or
- ✓ for a level Premium Policy, are aged at least 50 and under 70.

What is covered?

This Cash Sum will be paid if, whilst covered under the Policy, the Life Insured suffers any of the following as a result of an Accident:

- ✓ Blindness;
- ✓ Deafness; or
- ✓ Total and Permanent Loss of Use of Two Limbs.

The Accidental Serious Injury must occur within 12 months of the Accident.

The Accidental Serious Injury Cash Sum is only payable once for each Life Insured. The Cash Sum payable is stated in Your Schedule.

General Information

This section applies to Sorted Guaranteed Life Insurance and, if chosen, the optional Accidental Serious Injury cover.

Your commitment

It is Your responsibility to:

- ✓ ensure regular monthly Premiums are paid for the duration of the Policy.
- ✓ tell Sorted Insurance when You, or any Life Insured, change personal details e.g. name, address or bank details.
- ✓ check Your Policy annually, to ensure that it continues to meet Your requirements.
- ✓ answer all the questions asked by Sorted Insurance truthfully, accurately and completely to the best of Your knowledge when applying for Your Policy.

Any information that is not disclosed could invalidate Your Insurance cover and could mean that part or all of a claim may not be paid and Your Policy may be cancelled.

Risks

No cash-in value The Policy has no cash-in value at any time.

Failure to Pay Premiums If two consecutive Premium payments are missed when due, Your Policy will end with no value and cover under this Policy will no longer be provided.

Affordability If You choose an age based Premium Policy, the Premium payable will increase each year on Your Policy Anniversary. This option may appeal to those initially on a tight budget, but You will need to remember that as You grow older, the Premium will increase each year and if the Premium payments cannot be met, then Your Policy will end and You will receive nothing back.

Effects of Inflation If You choose a level Premium Policy, the Cash Sum and the Premium payable is fixed when Your Policy starts and does not change. The value of the Cash Sum You choose may not keep up with inflation and as such the value may reduce over time. The level Premium Policy appeals to those who want to know exactly how much they will be paying in the future, subject to the effects of inflation.

Inheritance Tax In the event of the Life Insured's death and the Policy paying out to the estate, there may be an inheritance tax requirement. All references to taxation are based on Our current understanding of the law and practice and can change in the future.

Premiums Paid Depending on how long You live, it is possible that You (or whoever pays the Premiums) may pay in more than the Cash Sum.

Your cancellation rights

You have 30 days from the date on which You receive Your Policy documents to make sure You are happy with Your cover, and decide whether You want to keep it.

If You want to cancel Your Policy, You must contact Sorted Insurance within this period for a full refund, subject to no valid claim being made. If You cancel Your Policy after the 30 day period then You will not receive any refund of Premium.

To cancel any optional cover You add after Your Policy Start Date, You must contact Sorted Insurance within 30 days from the date You receive Your updated Schedule.

To cancel, please contact Sorted Insurance in writing or over the phone.

General Conditions and Information about the Policy

This section applies to the Sorted Guaranteed Life Insurance cover and if chosen, the optional Accidental Serious Injury cover.

1. Policy Types

We know that everyone has different needs, so We have two flexible Policy types to choose from; age based Premium or level Premium. Both Policy types can be kept for the rest of Your life ('whole of life') but also allow You to apply for changes if Your circumstances change.

1.1 Age Based

With an age based Policy, Your Premium is based on the age of the eldest Life Insured. That could be You, or if You have chosen a Family Plan, it could be Your partner. The Premium is recalculated each year at Your Policy Anniversary; gradually increasing in line with the eldest Life Insured getting older. Once the eldest Life Insured reaches age 80, there will be no further Premium increases and at the Policy Anniversary on or following attainment of age 90 by the eldest Life Insured all Premiums will cease, but cover will continue.

Automatic Cash Sum Increases: The age based Policy features a 5% automatic annual increase to Your chosen Cash Sum for Your Life Insurance and any optional cover You have. It is applied automatically to Your Policy on Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date or until the eldest Life Insured reaches age 74, whichever is sooner. Example: If You have chosen a £2,000 Cash Sum at the start of the Policy, the next year You will be covered for £2,100. At the end of 10 years, assuming You don't opt out of the increase, Your Cash Sum would be £3,000. The automatic increase to Your Cash Sum(s) will continue even when the maximum Cash Sum for the eldest Life Insured at the Start Date is met or exceeded.

You will be sent a new Schedule each year at least 30 days before your Policy Anniversary, which will show Your new Cash Sum with the 5% automatic increase included and Your new monthly Premium, recalculated based on age and the automatic increase. At this point You have the flexibility of deciding to accept the increase (in which case You wouldn't need to do anything), or if You wish to opt-out of it, You can phone or write to Sorted Insurance to let them know (in which case a replacement Schedule will be issued showing Your rise in Premium based on age only). If You change Your mind, You can still opt back in to the 5% Cash Sum increases at any time within the 10 years.

1.2 Level Policy

Unless You request to make changes to the Policy, the Cash Sum and the Premium payable are fixed when Your Policy starts and is guaranteed not to change for as long as You keep Your Policy in force. As long as You are paying Your Premium, You'll be covered for the whole of Your life. At the Policy Anniversary on or following attainment of age 90 by the eldest Life Insured, all Premiums will cease but cover will continue.

With the level Policy option, it is important to note that as the value of the Cash Sum You choose at the start of the

Policy will not increase, Your Cash Sum may not keep up with inflation and as such the value may reduce over time.

2. Premium Payments

Your Premium will be debited from Your nominated bank account monthly on the date of Your choice.

All Premiums are to be paid in United Kingdom currency (£ sterling) from a United Kingdom bank account.

Your Premium is based on the following:

The amount of cover, if You have added an optional cover, whether You have a Single Plan or Family Plan, the Policy type You have selected and the age of the eldest Life Insured under the Policy.

3. Missed Premium Payments

If two consecutive monthly payments are not paid, this Policy will automatically end with no value and We will have no further responsibility in respect of this Policy.

At Our absolute discretion, We may reinstate the cover if the outstanding Premiums are paid to Us in full, although We reserve the right to make any variation in the cover provided.

As soon as one Premium payment is missed, Sorted Insurance will try to contact You to discuss Your payment arrangements.

4. Changing Your Insurance

4.1 Changes You can make

You may apply, at any time, to change Your Policy during the period of Insurance, however, We cannot guarantee that We will be able to make the changes You request.

If Your changes are accepted You will receive confirmation of these changes, including, if applicable, a new Schedule. The new Schedule will replace all previous versions issued.

You can make various changes to Your Policy, including; updating personal details, adding on optional Accidental Serious Injury cover or changing the Cash Sum.

If at any time You decide to increase the Cash Sum You will not be eligible for the increased amount if a valid claim occurs during any applicable Waiting Period. In the event of a valid claim, if a Waiting Period applies, We will only pay the Cash Sum which We would have paid had You not increased the Cash Sum.

Please notify Sorted Insurance in the event of death of a Life Insured. For Family Plans, cover will continue under the same terms for any remaining adult Life Insured provided they wish to continue and pay the required Premiums.

4.2 Changes We can make

We can change the terms and conditions of Your Policy that We reasonably consider are appropriate. These changes could affect the amount and type of cover provided under the Policy. We may also make changes due to the result of a change to any applicable legislation or regulation of taxation.

If We do decide to make any changes to Your Policy, Sorted Insurance will write to tell You at least 28 days before the change takes effect.

5. Annual Review of Cover

It is Your responsibility to review the cover annually to ensure it remains adequate for Your needs.

6. Dual Insurance

If the Life Insured is covered under more than one Sorted Guaranteed Life Insurance Policy, the maximum limit of the Cash Sum(s) payable for the Life Insured at the Start Date under all such Sorted Guaranteed Life Insurance policies will be applied. Any reduction in the Cash Sum will be applied to the Insurance most recently commenced and the Premiums paid referable to the amount by which the Cash Sum is reduced will be refunded.

7. Governing Law

This Policy is governed by the laws of England and Wales unless, at the Policy Start Date, You are resident in Scotland, in which case this Policy is governed by the laws of Scotland.

All Policy communication will be in English.

8. Data Protection Notice

9. Accuracy of Information

If the Life Insured's date of birth as shown on Your Schedule is incorrect, the terms of the Policy shall be cancelled and reissued based on terms that would have applied if the correct date of birth had been given. Sorted Insurance will administer all claims on Our behalf.

Claims should be made as soon as possible after the insured event occurs. To make a claim under this Policy, please contact Sorted Insurance by either:
