Key Facts about

Sorted Personal Accident Insurance

and Optional Children's Cover

The Key Facts of the Policy provide You with a summary of Our product. The full Terms and Conditions are contained later in this document.

The Financial Conduct Authority is a financial services regulator. It requires Us, Scottish Friendly Assurance, to give You this important information to help You to decide whether Our Sorted Personal Accident Insurance with optional covers is right for You. You should read this document carefully so that You understand what You are buying, and then keep it safe for future reference.

About us

Your Policy is arranged by Sorted Insurance. Sorted Insurance is a trading name of Neilson Financial Services Limited, which is authorised and regulated by the Financial Conduct Authority (FCA) and entered on the Financial Services register under reference no. 594926.

Neilson Financial Services Limited is registered in England and Wales under no. 07986483. Registered Office, Landmark Place, Windsor Road, Slough, Berkshire SL1 1JL.

Your Policy is issued, underwritten and administered by Scottish Friendly Assurance Society Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority and entered on the Financial Services register under reference no.110002, with permission to effect and carry out contracts of insurance.

Choosing your Insurance

When choosing Sorted Personal Accident Insurance You'll need to think about:

- √ the Cash Sum which is the amount payable when a valid claim is made:
- ✓ whether to add optional Children's cover to Your Sorted Personal Accident Insurance; and
- whether the Policy will be a Single Plan on Your own life or a Joint Plan to include Your legal spouse, civil partner or common law partner (Partner Life Insured) under Your Policy.

How much does the Insurance cost?

The amount of Premium payable will depend on:

- √ the Cash Sum(s);
- ✓ whether You add the optional cover; and
- √ whether You choose a Single Plan or Joint Plan.

The amount of Premium payable will be stated in Your Schedule which will be sent to You at the time You are accepted for cover.

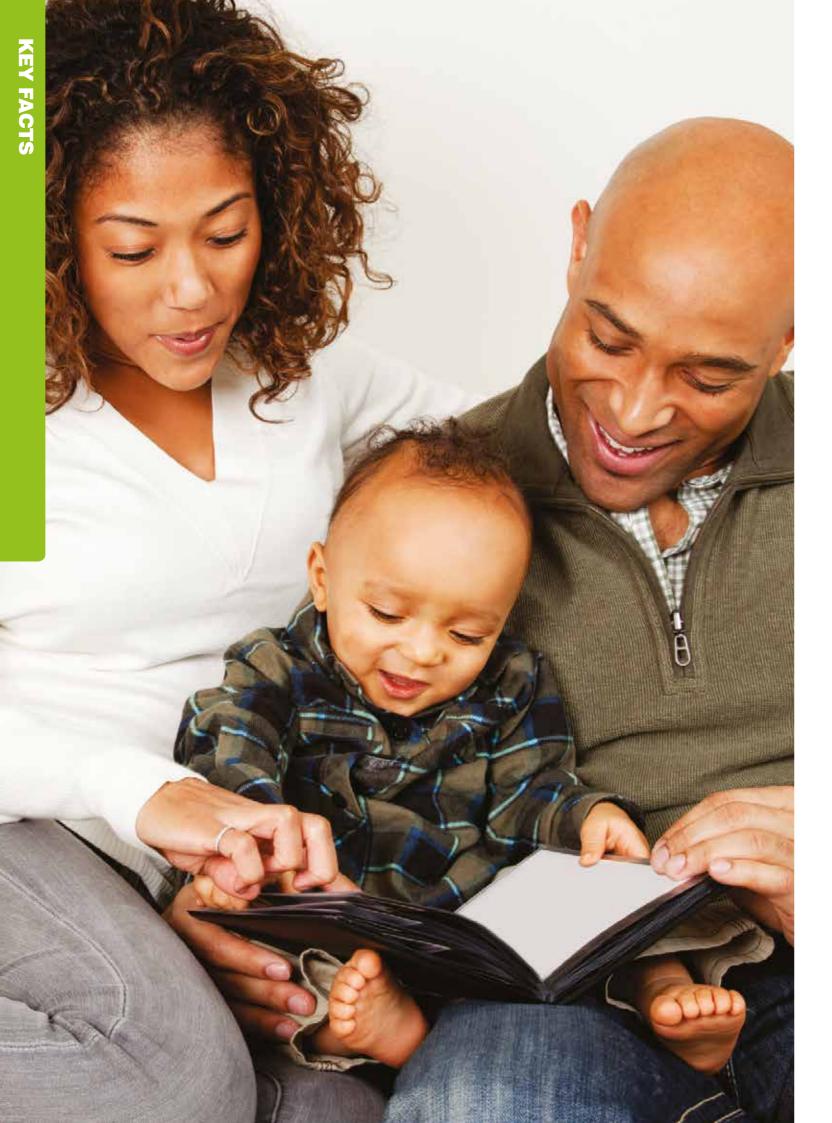

Is the Policy flexible?

The Sorted Personal Accident Insurance Policy is flexible, so You can make changes at any time. For example, if You want to include dependent children in the future, You can add them, or perhaps You want to make an increase or decrease to Your Cash Sum – that's fine too.

What are Automatic Cash Sum Increases?

The Policy features a 5% automatic annual increase to Your chosen Cash Sum for Your Personal Accident Insurance and any optional cover You have. It is applied automatically to Your Policy on Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date. Example: If You have chosen a £100,000 Cash Sum at the start of the Policy, the next year You will be covered for £150,000. At the end of 10 years, assuming You don't opt out of the increase, Your Cash Sum would be £150,000. The Cash Sum increase is a great way of increasing Your Cash Sum gradually over the years, for example, as Your family grows.

You will be sent a new Schedule each year, which will show Your new Cash Sum with the 5% automatic increase included and Your new monthly Premium recalculated based on the automatic increase. At this point You have the flexibility of deciding to accept the increase (in which case You wouldn't need to do anything), or You can let Sorted Insurance know if You wish to opt-out of it (in which case a replacement Schedule will be issued showing no increase in Your Premium or Your Cash Sum). If You change Your mind, You can still opt back in to the 5% Cash Sum increases within the 10 years, whatever suits Your needs best.

Risks

No cash-in value

The Policy has no cash-in value at any time.

Failure to Pay Premiums

If two consecutive Premium payments are missed when due, Your Policy will end with no value and cover under this Policy will no longer be provided.

Affordability

Unless You decide to opt out, the Cash Sum(s) You choose is automatically increased by 5%. The increase is applied at Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date. The automatic Cash Sum increase will mean there is a rise in the Premium payable. If the Premium payments cannot be met, then Your cover will end and You will receive nothing back.

Effects of Inflation

If You decide to decline the automatic Cash Sum increase on each Policy Anniversary, the Cash Sum will remain level and the Premium payable will not change. It is important to note, however, that the value of the Cash Sum You selected may not keep up with inflation and as such the value may reduce over time.

Inheritance Tax

In the event of the Life Insured's death and the Policy paying out to the estate, there may be an inheritance tax requirement. All references to taxation are based on Our current understanding of the law and practice and can change in the future.

Your cancellation rights

You have 30 days from the date on which You receive Your Policy documents to make sure You are happy with Your cover, and decide whether You want to keep it.

If You want to cancel Your Policy, You must contact Sorted Insurance within this period for a full refund, subject to no valid claim being made. If You cancel Your Policy after the 30 day period then You will not receive any refund of Premium.

To cancel any optional cover You add after the Policy Start Date, You must contact Sorted Insurance within 30 days from the date You receive Your updated Schedule.

To cancel, please contact Sorted Insurance in writing or over the phone.
