"With my family covered, I can relax and enjoy life"

Welcome to **Sorted Insurance**

At **Sorted Insurance**, we're committed to providing quality, great value insurance products that can help protect the ones you love should the worst happen to you.

Sorted products are provided by one of Scotland's longest standing Life Insurers for over 150 years, Scottish Friendly Assurance Society Limited. Our range includes large cash sum policies to cover a growing family's needs, to smaller cash sums for funeral costs, final bills or maybe even to leave as an unexpected gift for the grandkids. For added peace of mind, there are optional covers that you can add to your policy too.

Whatever combination you choose, you'll be protected 24 hours a day, 7 days a week, anywhere in the world.

Sorted Insurance products are super flexible. Circumstances change, and it's hard to imagine what your needs might be in 10 years' time. You can make changes to your **Sorted** policy whenever you need to; increasing or decreasing your cash sum as your mortgage grows or reduces, for example.

We don't think that Life Insurance needs to be complicated. We've made our products as straightforward as we can, so that you can make the right choice for you and your family. If you do have any questions, the **Sorted** service agents are right here in the UK, and happy to help you.

It's good to know you've got things **Sorted**.

Key Facts about

Sorted Life Insurance

and Optional Covers

keyfacts

The Key Facts of the Policy provide You with a summary of Our product. The full Terms and Conditions are contained later in this document.

The Financial Conduct Authority is a financial services regulator. It requires Us, Scottish Friendly Assurance, to give You this important information to help You to decide whether Our Sorted Life Insurance with optional covers is right for You. You should read this document carefully so that You understand what You are buying, and then keep it safe for future reference.

About us

Your Policy is arranged by Sorted Insurance. Sorted Insurance is a trading name of Neilson Financial Services Limited, which is authorised and regulated by the Financial Conduct Authority (FCA) and entered on the Financial Services register under reference no. 594926.

Neilson Financial Services Limited is registered in England and Wales under no. 07986483. Registered Office: 2 Windsor Dials, Arthur Road, Windsor, SL4 1RS.

Your Policy is issued, underwritten and administered by Scottish Friendly Assurance Society Limited which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority and entered on the Financial Services register under reference no. 110002, with permission to effect and carry out contracts of insurance.

Choosing your Insurance

When choosing Sorted Life Insurance You'll need to think about:

- √ the Cash Sum, which is the amount that is payable when a valid claim is made;
- the optional covers that You want to add to Your Sorted Life Insurance;
- ✓ whether the Policy will be a Single Plan on Your own life, or a Joint Plan to include Your legal spouse, civil partner or common law partner (Partner Life Insured) under Your Policy; and
- whether You prefer an age based Premium Policy (where the Premium and Cash Sum increase) or a level Premium Policy (where the Premium and the Cash Sum remain fixed).

How much does the Insurance cost?

The amount of Premium payable will depend on:

- √ the Cash Sum(s);
- ✓ whether You add the optional cover(s);
- ✓ whether You have a Single Plan or Joint Plan;
- √ the Policy type You choose; and
- ✓ Your personal circumstances, for example Your age, Your health, family history and occupation.

The amount of Premium payable will be stated in Your Schedule which will be sent to You at the time You are accepted for cover.

What are the Policy types?

We know that everyone has different needs, so We have two Policy types to choose from; age based Premium or level Premium. Both Policy types are flexible which allow You to apply for changes if Your circumstances change. For example, You'll be able to increase Your Cash Sum if You move to a larger home, or decrease it when the children leave home and You decide it's time to downsize. Maybe Your financial situation changes and You decide You'd like even more peace of mind by adding Critical Illness cover, adding Children's cover or increasing Your Accidental Death cover.

Age Based - How does it work?

With an age based Policy, Your Premium is based on Your age. The Premium is recalculated each year at Your Policy Anniversary; gradually increasing in line with Your age.

With an age based Policy, Your monthly Premium will start lower compared to its equivalent on a level Policy type, so this may appeal to those on a tight budget during the early years of holding the Policy. Plus, with an aged based Policy, You can keep it for the rest of Your life (whole of life) rather than deciding on a fixed term.

Automatic Cash Sum Increases: The age based Policy features a 5% automatic annual increase to Your chosen Cash Sum for Your Life Insurance and any optional cover You have. This increase is not subject to further health and lifestyle questions. It is applied automatically to Your Policy on Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date. Example: If You have chosen a £100,000 Cash Sum at the start of the Policy, the next year You will be covered for £105,000. At the end of 10 years, assuming You don't opt out of the increase, Your Cash Sum would be £150,000. The Cash Sum increase is a great way of increasing Your Cash Sum gradually over the years, for example, as Your family or mortgage grows.

You will be sent a new Schedule each year, which will show Your new Cash Sum with the 5% automatic increase included and Your new monthly Premium recalculated based on Your age and the automatic increase. At this point You have the flexibility of deciding to accept the increase (in which case You wouldn't need to do anything), or You can let Sorted Insurance know if You wish to opt-out of it (in which case a replacement Schedule will be issued which will show Your rise in Premium based on age only). If You change Your mind, You can still opt back in to the 5% Cash Sum increases within the 10 years, whatever suits Your needs best.

Level - How does it work?

Our level Policy is great for people who want certainty, knowing that their increasing age will not affect their monthly Premium – it will stay the same each year unless You ask Sorted Insurance to make changes to Your Policy. With Our level Policy You have the choice of a fixed Term from 10 to 40 years. Once You have been covered for the length of the Term You choose, Your Policy will end.

The 5% automatic Cash Sum increase is not available on a level Policy, so Your chosen Cash Sum will stay the same. It is important to note that as the value of the Cash Sum You choose at the start of the Policy will not increase, it may not keep up with inflation.

Risks

No cash-in value

The Policy has no cash-in value at any time.

Failure to Pay Premiums

If two consecutive Premium payments are missed when due, Your Policy will end with no value and cover under this Policy will no longer be provided.

Affordability

If You choose an age based Premium Policy, the Premium payable will increase each year on Your Policy Anniversary. This option may appeal to those initially on a tight budget, but You will need to remember that as You grow older, the Premium will increase each year and if the Premium payments cannot be met, then Your Policy will end and You will receive nothing back.

Effects of Inflation

If You choose a level Premium Policy, the Cash Sum and the Premium payable is fixed when Your Policy starts and does not change. The value of the Cash Sum You selected may not keep up with inflation and as such the value may reduce over time. The level Premium Policy appeals to those who want to know exactly how much they will be paying in the future, subject to the effects of inflation.

Inheritance Tax

In the event of the Life Insured's death and the Policy paying out to the estate, there may be an inheritance tax requirement. All references to taxation are based on Our current understanding of the law and practice and can change in the future.

Your cancellation rights

You have 30 days from the date on which You receive Your Policy documents to make sure You are happy with Your cover, and decide whether You want to keep it.

If You want to cancel Your Policy, You must contact Sorted Insurance within this period for a full refund, subject to no valid claim being made. If You cancel Your Policy after the 30 day period then You will not receive any refund of Premium. To cancel any optional covers You add after Your Policy Start Date, You must contact Sorted Insurance within 30 days from the date You receive Your updated Schedule.

- 50% of the Sorted Life Insurance Cash Sum for that Life Insured provided under the Policy.

Only one Critical Illness Cash Sum is payable for each Life Insured.

In the event a Critical Illness claim is payable, We will reduce the Sorted Life Insurance Cash Sum by that Critical Illness Cash Sum in respect of that Life Insured. If We reduce the Sorted Life Insurance Cash Sum, We will reduce Your Premium accordingly.

4. What is not covered

We will not pay the Critical Illness Cash Sum if the Life Insured suffers from:

- a Critical Illness as a direct or indirect result of an intentional self-inflicted bodily injury or attempted suicide; or
- a less advanced case of Cancer (as specified in the definition of Cancer in the 'Glossary' section on page 26)

No Cash Sum will be payable if the insured event resulting in a claim occurs before the Start Date or during the first three months after the Start Date (the 'Waiting Period').

We will not pay any benefits where We have agreed a special term with the Life Insured in respect of their cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with the Life Insured before Your Policy is issued and will appear on Your Schedule under the 'Additional exclusions and limitations' section.

This section of the Terms and Conditions document applies if You have Accidental Death cover as detailed in Your Schedule and You agreed to pay the appropriate Premium.

1. Eligibility

You can apply for Accidental Death cover if You (and, if applicable, Your Partner Life Insured) have Sorted Life Insurance cover, are resident in the United Kingdom and are aged at least 18 and under 65 at the Start Date or if Accidental Death cover is added later, the date when the Life Insured is accepted for cover.

2. What is covered

We will pay the Accidental Death cover Cash Sum if, whilst covered under the Policy, the Life Insured dies as a result of an Accidental Death.

3. Amount of cover

When You apply for cover, the minimum Accidental Death cover Cash Sum is £30,000. The maximum Accidental Death cover Cash Sum for a Life Insured under the Policy at Start Date is shown below.

45 – 64	£500,000

If You apply for cover with a Partner Life Insured, You can both apply for individual Cash Sum(s) based on the limits above. If You request to increase the Cash Sum(s) after the Start Date, then the maximum Cash Sum is based on the above table and the Life Insured's current age.

A Cash Sum paid under the Accidental Death cover option is made in addition to any Sorted Life Insurance Cash Sum paid.

Only one Accidental Death Cash Sum is payable for each Life Insured.

The total Accidental Death cover Cash Sum payable for a Life Insured cannot exceed:

- for a level Premium Policy only, the maximum Cash Sum for the Life Insured's age at the Start Date.
- for an age based Premium Policy only, the maximum Cash Sum for the Life Insured's age at the Start Date plus any automatic Cash Sum increases under the Policy.

4. What is not covered

We will not pay an Accidental Death cover Cash Sum in respect of a Life Insured if the Life Insured suffers Accidental Death directly or indirectly as a result of:

- · engaging in any criminal activities or illegal acts;
- the consumption of drugs (unless it was under the direction of a Medical Specialist and not in connection with treatment for substance abuse, drug addiction or dependence);
- the consumption of intoxicating liquor, including having a blood alcohol content over the prescribed legal limit whilst driving;
- engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport);
- engaging in any motor sports as a rider, driver or passenger;
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in a properly licensed aircraft.

5. Accidental Death cover start and end dates

- the date Your Sorted Life Insurance cover ends.

General Conditions and Information about the Policy

This section applies to the Sorted Life Insurance cover and any other optional covers selected.

1. Policy Types

We know that everyone has different needs, so We have two Policy types to choose from; age based Premium or level Premium. Both Policy types are flexible which allow You to apply for changes if Your circumstances change.

1.1 Age Based

With an age based Policy, Your Policy can be kept for the rest of Your life (whole of life), provided Premiums are paid. Your Premium is based on Your age and is recalculated each year at Your Policy Anniversary gradually increasing in line with Your age.

Automatic Cash Sum Increases: Your age based Policy features a 5% automatic annual increase to Your chosen Cash Sum for Your Life Insurance and any optional cover You have. This increase is not subject to further health and lifestyle questions. It is applied automatically on Your Policy Anniversary each year, for 10 consecutive years from the Policy Start Date. Example: If You have chosen a £100,000 Cash Sum at the start of the Policy, the next year You will be covered for £105,000. At the end of 10 years, assuming You don't opt out of the increase, Your Cash Sum would be £150,000. The automatic increase to Your Cash Sum(s) will continue even when the maximum Cash Sum at the Start Date is met or exceeded.

You will be sent a new Schedule each year at least 30 days before Your Policy Anniversary, which will show Your new Cash Sum with the 5% automatic increase included and Your new monthly Premium, recalculated based on age and the automatic increase. At this point You can decide to accept the increase (in which case You wouldn't need to do anything), or if You wish to opt-out of it, You can phone or write to Sorted Insurance to let them know (in which case a replacement Schedule will be issued, showing Your rise in Premium based on age only). If You change Your mind, You can still opt back in to the 5% Cash Sum increases at any time within the 10 years.

1.2 Level Policy

Unless You make changes to the Policy, the Cash Sum and the Premium payable are fixed when Your Policy is accepted and remains fixed throughout the Term of the Policy. You chose a Term between 10 and 40 years and the cover will end at the earliest of Your selected Term or on the Policy Anniversary on, or following, the attainment of age 79 by the individual Life Insured.

2. Premium Payments

Your Premium will be debited from Your nominated bank account monthly on the date of Your choice.

All Premiums are to be paid in United Kingdom currency (£ sterling) from a United Kingdom bank account.

Your Premium is based on the following: the Cash Sum, if You have added any optional covers, whether You have a Single or Joint Plan, the Policy type You have selected and the Life Insured's personal circumstances, for example, age, health, family history and occupation.

3. Missed Premium Payments

If two consecutive monthly payments are not paid, this Policy will automatically end with no value and We will have no further responsibility in respect of this Policy. At Our absolute discretion, We may reinstate the cover if the outstanding Premiums are paid to Us in full, although We reserve the right to make any variation in the cover provided.

As soon as one Premium payment is missed, Sorted Insurance will attempt to contact You to discuss Your payment arrangements.

4. Changing Your Insurance

4.1 Changes You can make

You may apply, at any time, to change Your Policy during the period of Insurance, however, We cannot guarantee that We will be able to make the changes You request.

If Your changes are accepted You will receive confirmation of these changes, including, if applicable, a new Schedule. The new Schedule will replace all previous versions issued.

You can make various changes to Your Policy, including; updating personal details, adding on an optional cover or changing the Cash Sum. If You have stopped smoking for more than 12 consecutive months and wish to change Your smoker status for the purpose of reassessing Your Insurance Premium rating, You may apply to do so.

If at any time You decide to increase the Cash Sum You will not be eligible for the increased amount if a valid claim occurs during any applicable Waiting Period. In the event of a valid claim, if a Waiting Period applies, We will only pay the Cash Sum which We would have paid had You not increased the Cash Sum.

Please notify Sorted Insurance in the event of death of a Life Insured. For Joint Plans, cover will continue under the same terms for any remaining adult Life Insured provided they wish to continue and pay the required Premiums.

4.2 Changes We can make

We can change the terms and conditions of Your Policy that We reasonably consider are appropriate. These changes could affect the amount and type of cover provided under the Policy. We may also make changes due to the result of a change to any applicable legislation or regulation of taxation.

If We do decide to make any changes to Your Policy, Sorted Insurance will write to tell You at least 28 days before the change takes effect.

4.3 Changes to Your Medical Circumstances after the **Policy starts**

If, after the Start Date, You or any other Life Insured suffers symptoms of, or are diagnosed with, or has treatment for any new medical condition which You and/or the Life Insured were unaware of before the Start Date, this will not affect the Policy and You do not need to notify Sorted Insurance of this change.

5. Annual Review of Cover

It is Your responsibility to review the cover annually to ensure it remains adequate for Your needs.

6. Dual Insurance

If the Life Insured is covered under more than one Sorted Life Insurance Policy, the maximum limit of the Cash Sum(s) payable for the Life Insured at the Start Date under all such Sorted Life Insurance policies will be applied. Any reduction in the Cash Sum will be applied to the Insurance most recently commenced and the Premiums paid referable to the amount by which the Cash Sum is reduced will be refunded.

7. Governing Law

This Policy is governed by the laws of England and Wales unless, at the Policy Start Date, the Life Insured is resident in Scotland, in which case this Policy is governed by the laws of Scotland.

All Policy communication will be in English.

- 5) the Life Insured(s) understand that they may withdraw the consent to the above paragraphs 2v and 3 at any time by informing Sorted Insurance in writing at: PO Box 6063, Windsor, SL4 9GL.

9. Accuracy of Information

We may not pay part or all of a claim and may have the right to cancel the Policy at the time if, when You applied for the Policy or when making a claim, the Life Insured failed to answer all Our questions truthfully, accurately and completely to the best of their knowledge and/or the Life Insured does not provide all the information Sorted Insurance ask for, and/or the Life Insured does not tell them of any inaccuracies before or immediately after Your Policy is issued.

If the Life Insured's date of birth as shown on Your Schedule is incorrect, the terms of the Policy shall be cancelled and reissued based on terms that would have applied if the correct date of birth had been given. We are entitled to cancel this Policy at any time if it would not have been issued if the correct date of birth had been given.

If any information or documentation that would reasonably be required to assess the claim is not provided by the claimant, We will not be able to process the claim until the information or documentation is made available.

Once the claim is accepted, We will pay the Cash Sum due to You or the person who is legally entitled to it, whichever is appropriate.

If applicable, We will refund any Premium(s) collected after the date of death in respect of the Life Insured, or the date of diagnosis or certification by a Medical Specialist where a valid claim is made in respect of the Life Insured.
